

SAA Logo

Accreditation logo can be used by individual installers and designers who hold accreditation with SAA and third-party organisations such as third-party training providers, suppliers and others who have association with SAA.

Download logo

JPG and PDF files and instructions for how to use it will be include on the website in a downloadable file.

Logo use Guidelines

- Logo is legible at all sizes. Avoid making it too small or too large for the context.
- Logo colour can not be altered.
- Logo can not be cropped or altered to change the original look.
- Logo is placed on the mono background (e.g. white or dark).

Terms and Conditions

- Individuals can use the SAA logo to show their association with SAA through accreditation or for business purposes that relate to the SAA Accreditation Scheme Operations.
- Individuals and third party organisations can not share the logo with other parties without SAA approval.
- SAA has the rights to ask individuals and third party organisations to remove the logo from their material if the Terms and Conditions of use are not followed.
- SAA logo Guidelines must be followed when SAA logo is displayed.

By following these guidelines, you'll help protect and promote the integrity of the company's brand identity!
