

## **How to access the AS/NZS 4777.1:2024 Essential Learning Module Step-by-Step Guide**

This step-by-step guide outlines how to Register and Login to the Smart Installer LearnUpon LMS to complete the AS/NZS 4777.1:2024 Essential Learning Module:

1. Click on the link sent in an email from SAA.
2. Log in (if you already have a Smart Installer LearnUpon account) or Create New (if you don't have an existing Smart Installer LearnUpon account).
3. Navigate to the AS/NZS 4777.1:2024 training course in the store page of the platform.
4. Follow the prompts to Purchase the course for \$31 (GST incl).
5. After purchasing the course, you will receive an email with the invoice and link to access the course.
6. Once you commence the course you can pause and continue later. The course will take about 90 minutes to complete. It can be completed in one go or broken up into smaller sessions at your convenience.
7. Completion of the course requires a test passing grade of 100%.
8. After passing the Quiz at the end of course, you will be able to download your certificate.
9. SAA will automatically update your records and add the CPD points. You do not need to submit this certificate with SAA.
